Showcase Your Business

The Hawai'i Value Passport is an outstanding opportunity that will drive Mainland visitors to your business!

What makes this program unique is that the Hawai'i Value passport recipients are booked and confirmed future travelers to Hawai'i. These visitors receive from the HVCB a Hawai'i Welcome Packet before they leave for their vacation. This exclusive packet contains a destination newsletter along with a directory of businesses like yours that provide special value offers to those visitors showing the Hawai'i Value Passport. This is all facilitated through their certified Hawai'i Destination Specialist travel agent that graduates from the Ke Kula 'O Hawai'i (The School of Hawai'i) travel trade development program.

The deadline is Thursday, February 22, 2001. For more information on how you can submit your value added offer, please contact Membership Department at (808) 924-0230.
